FRIDAY, MARCH 4, 1859.

no prospect of reform, it would not matter but a revolution should take place. GT The organ of the President wishes us to inform it to which of the two faces of the Janus Democrathe Kentucky Opposition are opposed. We could ever ferile in expedients to diceive the answered the question promptly, but never more decidedly or the question promptly, but never more decidedly or the promptly that the popular the promptly that the promptly the promptly ently than since the masks were thrown off in the United States Senate last week, and the natural gain votes at the pring election, by a mean an rages exposed, contorted with rage, livid with terfuge. Many citizens residing upon viringes exposed, contorted with rage, livid with passion, and demoniac in expression. While we have of an sees the principal actors in the political consedy of errors—the Dromios so much slike that they could hardly be distinguished—they power came together before, as they did on the 233 ult, in the great denomment, which enabled us to compare and at denonement, which enabled us to compare and candidates for city and word officers of the Laste analyze their characteristics. Then and there they proclaimed that they were distinct, and, instead of the Cay Council upon the subject, and have promise proclaimed that they were distinct, and, instead of looking hunds to go through the world together, they closed fists to engage in a terrible and deadly quarrel. The twe faces, thus infamed by windictiveness, have been deguerrectyped before the nation in the report of that Sanatorial debate, and they, indeed, present a "serry sight." To that which Douglas wears, we have on many occasions expressed onr aversion, and to that which Jeff. Davis exhibits, all distorted from its core calm and chivalic bearting. They both look is given the subject, and have promised to support the measure if elected, in consideration of receiving the suffrage if the petitioners. Some tree or four hundred names have already been attacked to the petitioner, hat we deem it a duty to show the signers that the while schent: is the measure if elected, in consideration of receiving the suffrage if the petitioners. Some there or four hundred names have already been attacked to the petitioner, hat we deem it a duty to show the signers that the while schent: is the measure if elected, in consideration of receiving the suffrage if the petitioners. Some there or four hundred names have already been attacked to the petition. In the calm the contraction of the signers that the while schent: is the measure if elected, in consideration of receiving the suffrage if the petitioners. Some there or four hundred names have already been attacked to the petition. In the cally the contraction of the receiving the suffrage if the petitioners. Some the suffage of the receiving the suffrage if the petitioners. Some the suffage if the petitioners are the cally all the contraction of the contraction of the cally all the contraction of the call the ca ing, we must feel equal leathing. They toth look experience of all the large Lastern cities has shown to tut one point of the compace, and are sectional in the extreme. There is no commanding dignity, essentially upon the central position of railroad de-sone of the elevating laftnesses of intellect, nothing son. They glare like fiends at each other, have out all self-respect, and, as a consequence, must road, they would quickly skulk away and leave far as possible. If these den agognes should lost all self-respect, and, as a consequence, most forfeit the re-pect and confidence not only of the country at large but of their distinctive party associates. There can be no compromise of such discordant opinions. While Douglas reasserts and up if you don't know, shy delivers at the platform of the livers party. criates. There can be no compromise of such discretant opinions. While Douglas reasserts and up colds one interpretation of the Cincinnati platform, the contract party." Journal of the Cincinnati platform, which he declares to the orthodox faith, and de- You want to land why we helong to the (1,pps nyunces all other translations of its obscurity as tion if we don't know what you meant by betarodox, at the same time Davis proclaims that the Douglas creed is a beresy-worse than the most | liberty of asking what you meant by the platform false doctrines of Wilmot, and brands with anathema all who and seribe to it. Thus the "party of per whatever it might be, had anything in particular manager" is Janus-faced, and divided sectionally do with the matter of our belonging to the grea apon a fundamental rule of political conduct, and opposition purty. We don't understand that you hat rule the most important one in the whole plate are recognized as an authorized exponent of the

form. It is not necessary, nor is it at present perti-nent, that we should dissect these discordant opin-ions, for all our readers must know our often expressed views concerning them; but they involve leaders of Democracy treat your opinious as also untagonisms which are fatal to the Democracy as a tionism? And don't the great Southern maves p nal party, and their proclamation in that the social debate is a foregone conclusion that the abattion is riven and shuttered. In the ational party, and their proclamation is last week's with the great Southern leaders? ment attitude of the harmonious Democ war if they are not carried out—it excommunicated by the Washington organs of the President, and accept his dogmas. "tempference on the army bill,

"tempference on From the Ly ening Bulletin. XXXVIII CONGRESS - SECOND SESSION. Wednesday's Proceedings Concluded.

Sensies—Mr. Berjathin, of La, unwell an amoundment to appropriate \$25,0,000 in continue the castom leases at New Onceans—east 15, pays 29.

Mr. Davie, from the committee, moved an amoundment appropriating \$25,000 in complete the acquestion and propriating \$25,000 in complete the acquestion and propriating \$25,000 in complete the acquestion and propriating \$25,000 in complete the acquestion and the state of a revenue bill, with 18 18 h section through the 18 to 18 h section through the 18 to 18 h section through the 18 to 18 h section and the nature of a revenue bill, with 18 18 h section through the 18 to 18 h section and the constitution, can only originate in the House, Mr. Bright, of 14, from the Committee on France, neoved former of some through the 18 to 18 h section alided to proposes 5 and 19 cents at the letter raise, and abdishes the franking through the 18 to 18 h section alided.

Mr. Bright, of 14, from the Committee on France, neoved former of some through the 18 to 18 h section alided to proposes 5 and 19 cents at the letter raise, and abdishes the franking by action on the bill, who are some that the senate's possege smendment in our a violation of the constitution.

Mr. Phelpy, of Mo, prically regued that the constitution was not applicable to a case of this kind.

House —Mr. Datist of Indiana protested account.

The Spaker decided that Mr. Grow's question.

lems, such as furniture, &c. At lectock, without sking on yaction on the bill, the Senate agreed to djourn.

House,—Mr. Pettit, of Indians, protested against making any appropriation at all. He asked whether the Secretary had made the contract or any other the Secretary had made the contract or any other inpowering the President to obtain satisfaction from the property solution was not provided in the Mr. Grow's resolution was adopted—year 117, may 56.

Mr. Beecek replied that that was all and sufficient.

Mr. Pettit said that this act of the Secretary was a neurpation of power not pranted from the beginning of this contractary, blovernment has not laken the right steps for the cettlement of the questions and just acceded adversely on similar accondants to the postoge rates, and just acceded adversely on similar accondants to the postoge propriation bill, he thought it but

ad made to such declaration.

Mr Challis carried his point and the bill was he deemed expedion), and he read from the appeach was desirted in the last session by Mr. Bifebie, wherein it was said that the President would act on the anthority of Congress, and he believed the exhibiting of a few small vessels would procure a settlement of citiculties, and no necessity would procure a settlement of citiculties, and no necessity would procure a settlement of citiculties, and no necessity would occur for the use of force.

Mr. Grow, of Pennsylvania, soid that, in-send of trying the Secretary, Mr. Phelips was arraigning the gentleman from New York, and added that the Secretary had clearly exceeded his authority in professional from the Secretary would exceed that the treaty with Trices, of November Lett, by authorizing the gentleman from New York, and added that the Secretary had clearly exceeded his authority in professional from the committee on the histograph of the population of the clear of the present concludes with a reschifung the print making the president. Twenty-seven of the Opposition members vided for the present concludes with a reschifun ont of 115, and 18 Hamocrats voted against 1.

Mr. Genett, of Va., remainlered that the was professional to the present concludes with a reschifun ont of 115, and 18 Hamocrats voted for the present concludes with a reschifun the difficulties of the Opposition members voted for the present concludes with a reschifun profession members voted for the present concludes with a reschifun the Alia and make a new arrangement to a state from the sum of the present concludes with a reschifunce of the sum and structure of the present of the present concludes with a reschifunce of the present concludes with a r

Mr. Gamett, of Va., tenembered that he was not from the hill and make a new arrangement to a statching the seats into the smallest convenient ing to confer the war making power on the Precident, but he was willing to carry out the variants while increasing the navy. piece.

Mr. Mclae replied, they will be consigned to the tout of the Capitels.

During these precedings the greatest possible cantusion prevailed.

The Spenker repestedly reminded gestlemen that it would be impossible to transect business unless order was preserved. Mr. Lovejoy, of Ill., proposed to suspend all pro-actings and rical the vessels. Bejected—yea Sr. Lores, March 3,
